Dear parents and carers

I hope this letter finds you well.

I am delighted and feel very privileged to have been appointed as the new headteacher of Beavers Community Primary School and I look forward to meeting you all as your children return to school.

I joined the team at Beavers almost 15 years ago and have been part of the senior leadership team for 7 years. During this time, I have had the pleasure of working with many inspirational colleagues, children and families. I have seen the school expand and develop over the years and I am committed to building on our success.

I believe that primary school should be a place of happiness, where each individual child can develop and thrive both academically and personally. As headteacher, my focus will be to make sure your children are safe, happy and achieving their full potential so that they are well-equipped for their future endeavours, make fulfilling friendships and create lasting memories.

From the start of the school year, I will be welcoming your children into school in the morning where I hope to meet many of you. Additionally, during the first term there will be a number of informal events at different times of the day so that we have further opportunities to meet. I can also be contacted at [head@beavers.hounslow.sch.uk](mailto:head@beavers.hounslow.sch.uk).

As parents and carers, you make a crucial contribution to your children's achievement. I am very excited about leading the school on the next step of its journey and working with you to ensure the best possible experience for your children.

Yours sincerely

Ms Sarah Smith  
Headteacher
