Headteacher

25th March 2020

Dear parents and carers

We trust that you and your family are well.

We began home learning today and it is very new to all of us. Many thanks for your patience as we did have a couple of technical issues this morning! We aim for these to be ironed out as soon as possible.

We have now completed phase 1 of our planning for reduced provision at the school site and a limited number of qualifying children are attending. Our planning is in line with government guidelines and expectations, and puts the 'stay at home' policy as the number one priority.

Parents are reminded that children should be social distancing and not playing out with friends. This is to limit the spread of the virus to vulnerable members of our community and it is key in the government strategy. Remember – children may have the virus with no symptoms and then pass it on to others.

During this period of closure, we cannot guarantee that the school telephone will be answered; however, please use the office email address (office@beavers.hounslow.sch.uk) with any questions, concerns or comments.

Stay safe and well

Ms D. Scott MBE
Headteacher
