

As we come to the end of our first full week back, the children have been incredible and fully immersed themselves in their learning. One thing we have found though is that they seem tired. Can we please request that now we are back at school, you resume your bedtime routines to ensure that the children have an appropriate amount of sleep and that you limit their screen time. We recommend trying to avoid screen time after 8:00pm as this really does impact on their physical and mental health.

Covid update

Covid is still very much with us and you may have noticed there are far less children in school at the moment with increasing numbers of positive cases, either in children or family members. We also have an increasing number of positive cases amongst the staff, which is putting the school under pressure. Please continue to support the school in keeping everyone as safe as possible, by wearing a face mask when on school premises, maintaining your distance at all times and keeping us informed of your child and your family's health.

Thank you.

Free online Healthy Eating Workshop!

Are you struggling to get your child to eat healthier? You are not alone!

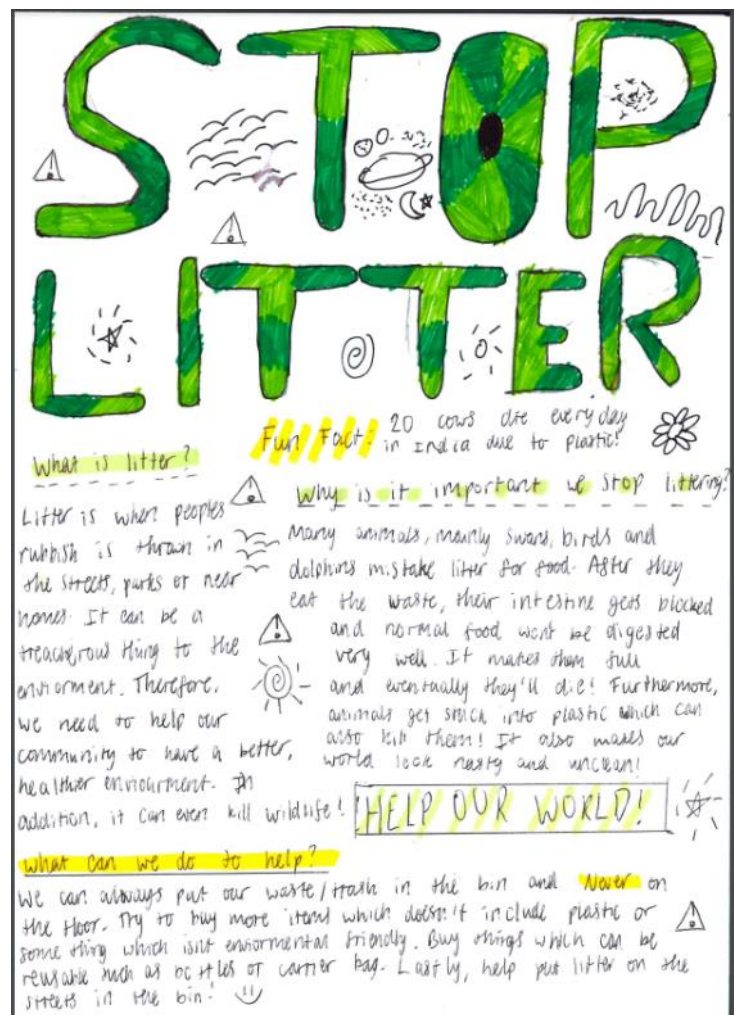

We are delighted to be able to offer you a free online course offering support and tips to help make healthy eating easier and fun!

The course will be delivered in partnership with One You Hounslow and will take place on:

Tuesday, 25th January 10.15am to 11am

To register your interest, please contact the school office and ask for Ms Moses or Ms Kapoor.

Pupil Governor & Eco Posters - Before Christmas the Year 3 Green team talked about how much rubbish is left on the street and also how we should encourage more recycling. The group wanted to make parents/carers aware of our discussions, so decided to make posters to display around the school. Here are some of the thoughtful, colourful work they have done. The message is, we can all do more by recycling as much as we can and investing in re-useable items.

Bookstart Treasure have given books to our Nursery children. They looked at the book Simon Sock and had lots of fun at a sock party. Nursery created spotty, stripy and colourful socks. They also made spotty mini pizzas, yummy! Thank you, Bookstart Treasure, for our free books!

Camilla and Polly visited Year 2 for some musical art! They introduced us to instruments we had never even heard of before like the bassoon, the viola and the recorder. We really enjoyed hearing Polly play the electric guitar and the saxophone. Camilla showed us how to play the violin and got a great sound out of the bassoon. Then we all drew the instruments using a technique called continuous line drawing, which is like taking a line for a walk without stopping.
