

Issue 18
18th March 2022

This week we have enjoyed some wonderful sunshine and fully immersed ourselves in STEM Week. The theme was 'Superhero STEM Saves the Planet' which linked well with our Eco-Schools project and the amazing work our Eco-Warriors are doing in school and the wider community. Children across the school have been learning about climate change, ways to save the planet, waste and the three Rs (reduce, reuse and recycle). Revd. Claire Clarke and Emily visited the school on Wednesday to deliver two amazing science assemblies, which both captivated and enthused the children. Remember to look on Google Classroom and Tapestry for images from this week.

We ended the week by wearing red for Red Nose Day. Thank you to everyone who donated to help people live free from poverty, violence and discrimination. It is wonderful to see so many children cycling/scooting to school. We please ask that as your child approaches the gate, they slow down and dismount before entering. Due to the congestion at the beginning of the day, this can prove to be very dangerous. At the end of day, please ensure children do not ride bikes or scooters in the playground. There is a constant flow of people and this again, could result in an accident.

We recently asked you to complete the Spring Term parent questionnaire, thank you for your responses, please see the results below.

Spring 2's value is Co-operation

UNICEF Four principles of the Convention on the Rights of the Child

- Non-Discrimination
- Best interests of the children
- The right to survival and development
- The views of the child

Unfortunately, due to low numbers, the following clubs are postponed:

- Wednesday—Gymnastics for years 4, 5 & 6
- Thursday—Multi Sports all year groups

If more children register, we will provide a coach to take the session.

We will be working with The Caring Family Foundation charity again, providing meals for the Easter Break. This time, we will receive two batches of meals, the first on the 24th March (5 meals per child), the second week beginning the 28th March (for another 5 meals).

The feedback from February is to distribute the meals in school, at the end of the day. If you are able to help with the distribution, please speak to Ms Moses. Please fill in the google form by copying and pasting into your browser the following link <https://forms.gle/AQgRQie4s57YSuum6>

This year we will be hosting Beavers Talent Show. The dates for registration and auditions will be confirmed after the Easter break. The first step is...

Do you like art and design? If so, enter the competition for a new Beavers Talent Show Poster. The instructions are as follows:

The only required wording is: Beavers Talent Show 2022

Paper size: A4

Use bright colours

There is a small prize for the winning entry.

The closing date is Monday 28th March. Good luck and I look forward to seeing all your great ideas.

Two of our children took part in the English Junior Wrestling Championships at the weekend. This is what they had to say about the tournament:

"We took part in this awesome tournament.

We finished super strong in the English Junior Championships.

- Simon 1st place and gold medal
- Shaun 3rd place and bronze medal

We are now preparing for the next competition on the 14th May 2022 The British Junior Wrestling Championships.

We will bring our medals to school to encourage our friends to work hard at school and out side activities."

Year 1 had a fantastic week being superheroes, enjoying red nose day, litter picking, ice experiments and saving sea animals from rubbish.

Nursery have been busy during STEM week. We have been talking about saving our planet and carried out lots of activities. The Eco Warriors visited the Nursery to help the children water the cress and the beans. Thank you Eco Warriors! The children looked at recycling objects and have started to recycle paper and plastic. We also made yummy soup using different vegetables.
