

The sunshine has been a welcome treat and arrived at the perfect time this week as children across the school have been exploring and enjoying our new OPAL sessions in preparation for our big launch next week. You will receive an email with further information about the OPAL programme very soon. Children may also mention it at home, so please do ask them what they have been up to. From what we have seen and the feedback from staff and children, they have really enjoyed themselves and are excited about the changes afoot. We will be sure to update you on the launch in next week's newsletter.

We have been busy fundraising this week; Early Years had a wonderful Easter Fayre on Wednesday. It was a huge team effort and all of their hard work paid off as they managed to raise £645. It was wonderful to have parents back in school and we thank you for your contributions and purchases. We also ran a small Mother's Day cake sale on Friday, which was very popular with Nursery and Reception parents. I would like to take this opportunity to wish all mothers, grandmothers and mother figures in the lives of their children, a wonderful Mother's Day on Sunday. I hope you have a day full of relaxation and are fully appreciated.

Chartwells, our catering provider, have asked families to complete their 'Food for Thought' survey. Please scan the QR code on the back page.

Join us for a special event to celebrate The Memory Library

At Salisbury Café, Salisbury Road, Hounslow TW4 7NP  
On Friday 22 April 2022, from 4pm – 7pm (talk and thank yous from 4.45pm – 6.15pm)

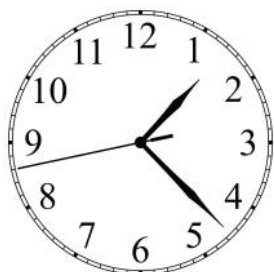

In 2019, a group of Heston residents came together to plan and curate a project at Heston Library. Working with the CPP Hounslow Visual Arts Programme and artist Marie Klimis, they created **The Memory Library**, an installation inspired by the reflections and memories of the Hounslow local community.

This took the form of a cabinet filled with Hounslow memories. Each drawer contains a miniature art installation made from paper, using sound, smell and objects that reflect the voices of Hounslow residents.

To celebrate this beautiful project, please join us at the Salisbury Café on the 22 April from 4pm – 7pm.

The event will include the chance to listen to the interviews that inspired the work, hear more about the project from the artist Marie Klimis, and to thank the people who made the project happen.

The event will be accompanied by some delicious treats from the Salisbury Café!

British Summer time begins this weekend. The clocks go forward on Saturday night / Sunday morning. This means the days will stay lighter later in the day

The digital leaders from Year 6 enjoyed a day out at the BETT show at Excel London with Miss Gamperle, Mrs Dawe and Mr M. They received lots of free goodies and enjoyed trying out the tech on show.

Nursery had a cake sale for Mother's Day. The children also created their flower Mother's Day cards using their observational skills. We hope everybody has a lovely Mother's Day.

Chrissie is on holiday at the moment, having a lovely time with her best friend Jude and one of her favourite humans, Gabrielle's son, Dominic. She likes nothing better than falling asleep over the arm of the sofa.

She is looking forward to being back in school after Easter.

# THE 'FOOD FOR THOUGHT' SURVEY IS NOW LIVE!
