

Issue 22
29th April 2022

As we come to the end of another week, we continue to focus on our value for this half term, Equality. Equality is a very simple concept but lends itself to deep thinking and the children are working hard to deepen their understanding and how to further value diversity. To the children and staff at Beavers, it means treating everyone fairly regardless of race, gender, disability or age.

It goes without saying how incredibly proud we are of the staff and children who have decided to fast during the holy month of Ramadan. The self restraint and commitment they have shown is commendable. I would like to take this opportunity to wish all our Muslim families a Happy Eid. We look forward to celebrating in school with our Eid assembly next week.

Punctuality

We have noticed a number of children consistently arriving late for school which is having a negative impact on their learning as they are missing valuable teaching time. Please make every effort to be at school on time and if you know that your journey will be disrupted by road works, do allow time for this. The school gates will close on time everyday and any children who arrive late will need to report to the school office. Please note that lateness is recorded on a per pupil basis.

The Healthy Start Scheme assists eligible families to buy healthy food. Families can get £8.50 per week for a child under one and £4.25 per week for a child between ages one and four. Women who are 10 weeks pregnant or more can also receive £4.25 per week.

Eligibility is income based and the money is loaded monthly onto a store card which can be used in most shops that take Mastercard. Families can use the Healthy Start card to purchase:

- plain liquid cow's milk
- fresh, frozen, and tinned fruit and vegetables
- fresh, dried, and tinned pulses
- infant formula milk based on cow's milk

As part of the Healthy Start scheme, families can also get free vitamins. In Hounslow, these are provided by participating pharmacies.

Families can be directed to the Healthy Start website to find out more information about the scheme and how to apply: <https://www.healthystart.nhs.uk/>.

Get Hounslow Reading Prize Draw

'Congratulations to Beavers for entering and winning March's Get Hounslow Reading Prize Draw!'

Mr Tibble entered our school in a prize draw for Get Hounslow Reading and we won some new books!

Mrs Standing from The Hounslow Education Partnership came to deliver these new books to us. Happy reading!!

HOBbledown HEATH

Pupil Governors from years 3, 4 and 6 went to see Hobbledown Heath on Friday 22nd April before the grand opening in June. We were greeted by Victoria and her colleagues who took us through all the wonderful new buildings and explained all the planned activities and animals on site. We were lucky to see Ted Baker, a famous owl, Scottish cattle and much more. We hope to visit again with year 5 once everything is completed.

Nursery children enjoyed watching the chicks hatch from the eggs. We now have 6 chicks!

The Book Hut in the library was set up for our Nursery children. The children have chosen a book to take home.

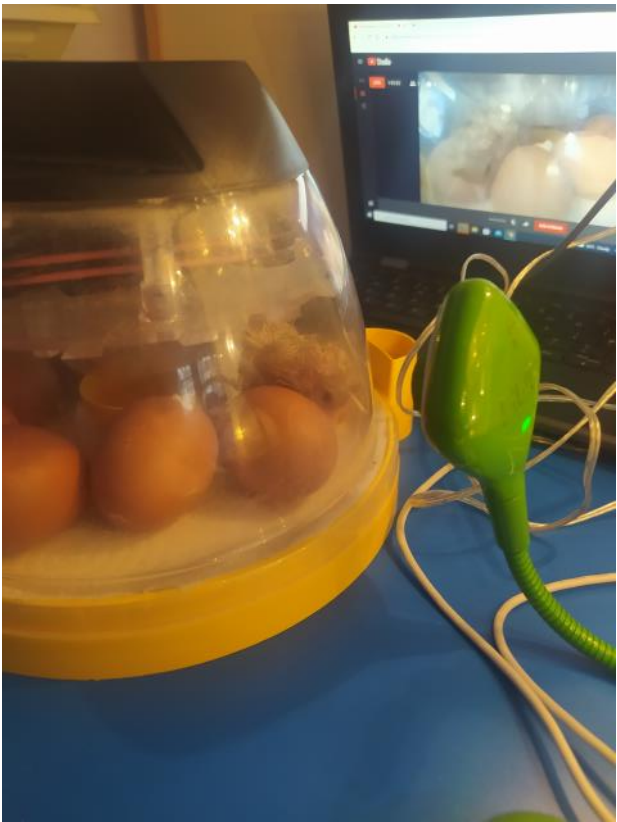

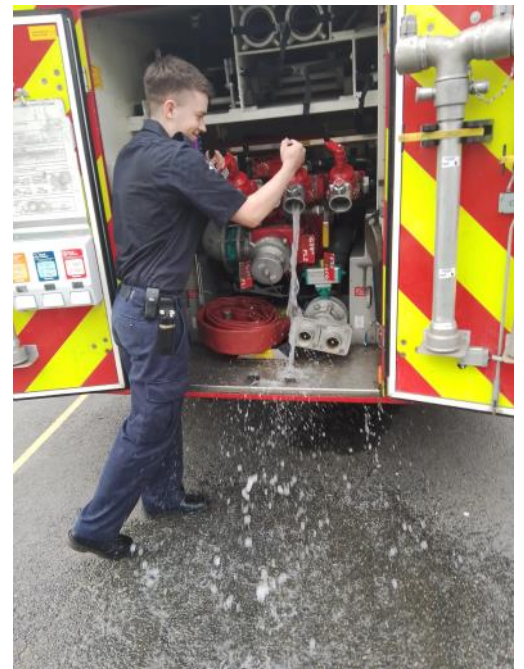

The children in Sunshine Class also got to meet the chicks, Lucio and Cristian loved holding them and were very gentle. Cristian was very creative, he made a board game out of large Lego and small world people.

Our eggs have hatched! We have a live stream of our new chicks and we were lucky enough to see them hatch!

The reception classes had some very exciting visitors this week, the local fire brigade came to see them.

More photographs will be uploaded on to Tapestry for reception parents.
