

Happy Friday and what a lovely sunny week it has been. This week has been focussed on SATs. While Year 2 SATs continue into next week, Year 6 completed their end of year tests this week, after months of hard work and dedication from both the children and staff. The Year 6 children managed incredibly well this week, despite some anxiety, putting in their best efforts and working through the papers to the best of their ability. We have to be mindful of the disruption that was caused to all children's education during the school closures. Remote learning cannot replace face-to-face teaching. The Year 6 pupils have worked tremendously hard to catch up on their missed learning and have demonstrated perseverance and courage over and over again. Whatever the result, what is important is that they tried their best; that is all we can ask. We are all incredibly proud of them. Year 6 celebrated on Friday with a non-uniform day, which was a lovely way to end what has been a very busy week for them. Thank you also to all of the parents and carers for getting the Year 6 children into school everyday and to the staff who helped to manage the logistics of the week.

Queen's Jubilee and Beavers 70th Birthday Celebrations

In honour of the Queen's Platinum Jubilee and the school's 70th birthday, we plan to celebrate the week commencing 13th June, with a whole school picnic on Thursday 16th June. Ms Moses is busy working with the PTA and a team of party planners to ensure the week is a huge success and a memory the children will cherish.

On Thursday 16th June children are invited to come to school dressed in red, white and blue. A letter with more details will be sent out soon.

Are there any Parents/Carers who would be willing to give up some of their time and join the: **Parent Teacher Association (PTA)**
The PTA is a group of Parents and Teachers having fun and working together to help organise fun events for our children and their families. Our School benefits greatly by these extra funds.

Our upcoming big event is the
Summer Fayre on the 8th July 2022

You can:

- Help set up the stalls or serve on a stall
- Cook food/cakes
- Sell raffle tickets
- Collect and sort items for the stalls
- Suggest new ideas

Give out refreshments to parents and staff helpers
We are always looking for new ideas and ways to raise funds through fun events. No matter what little time you can spare to help, we would love to have you on board and we look forward to seeing you!

This year, Beavers Community Primary School turned 70!

We are planning on celebrating this historic event alongside the Queen's Platinum Jubilee week commencing Monday 13th June 2022. As part of our celebrations, we would like to hear from members of our community, especially from past generations.

We would like to share your experiences throughout the eras so if you have any photos, short memories or quotes that we could use, we would love to hear from you. It would be very helpful if you could also spread the word to other people you know who may have experienced life at Beavers. This could be past pupils, family members, staff, etc. who were a part of our community any time from its opening in academic year 1951/52, to now.

Please send in anything you have that you think might be relevant to our celebrations via email to history@beavers.hounslow.sch.uk.

Thank you for 70 years of support, and many more to come!

Year 5 has been learning the story of Swan Lake. On Tuesday, they were lucky enough to watch the ballet - Swan Lake in Covent Garden. We travelled from Hounslow West to Covent Garden by tube. Unfortunately, they couldn't take photographs inside the theatre.

Try Perform for free and claim a £40 discount

Today, your child took part in a Perform drama, dance and singing workshop – a unique mix of activities designed to bring out every child's true potential.

Our small classes ensure lots of individual attention by our experienced teachers – hand-picked for their warmth, energy and professionalism. They'll focus on your child's engagement in the activities rather than their precision, and be with them every step of the way to guide, inspire and encourage.

As well as having fun at Perform, your child will enjoy real benefits: greater confidence, improved concentration and an increased awareness of what they can achieve.
