

This week Year 2 completed their end of year tests. They have worked incredibly hard and have worked through the papers to the best of their ability. We are very proud of how they have coped. The Year 2 staff have made the experience as relaxed and as much fun for the children as possible.

We are excited that the PTA discos will make a welcome return next week. We hope lots of children signed up for tickets. The PTA has also continued to plan for the Queen's Jubilee and School Birthday after half term. You may have noticed the start to some decorations at the front of the school.

Courtesy and Car Parking

I am sure that those of you who have to drive to school are aware how difficult it is to park. Now that the weather is beginning to warm up, one option is to park a little distance from school and walk the rest of the journey - this is a good form of exercise and relieves the stress of trying to find a space outside school. Another suggestion is to use the bus - children are entitled to free travel. If you have no other option but to drive to school then please park safely and with consideration to other motorists and pedestrians. We discourage any parents who stop in the middle of the road to let their children out, as this has huge safety concerns as well as being inconsiderate to others and creating congestion.

Chrissie came into school this week with her friend Jude. Sunshine Class loved seeing both of them. Cristian was very responsible when holding Jude's lead and giving treats. He made sure he washed his hands when they left the classroom.

Two Year 5 pupils; Caitlin and Tseruja have received Headteacher award stickers for showing great care and kindness towards another during a situation this week. They showed key Beavers values and were rewarded for this.

Attendance

Good attendance is very important for learning!

Ladles and wooden spoons	Magnifying glasses	Small world play figures e.g Barbies or Happyland	

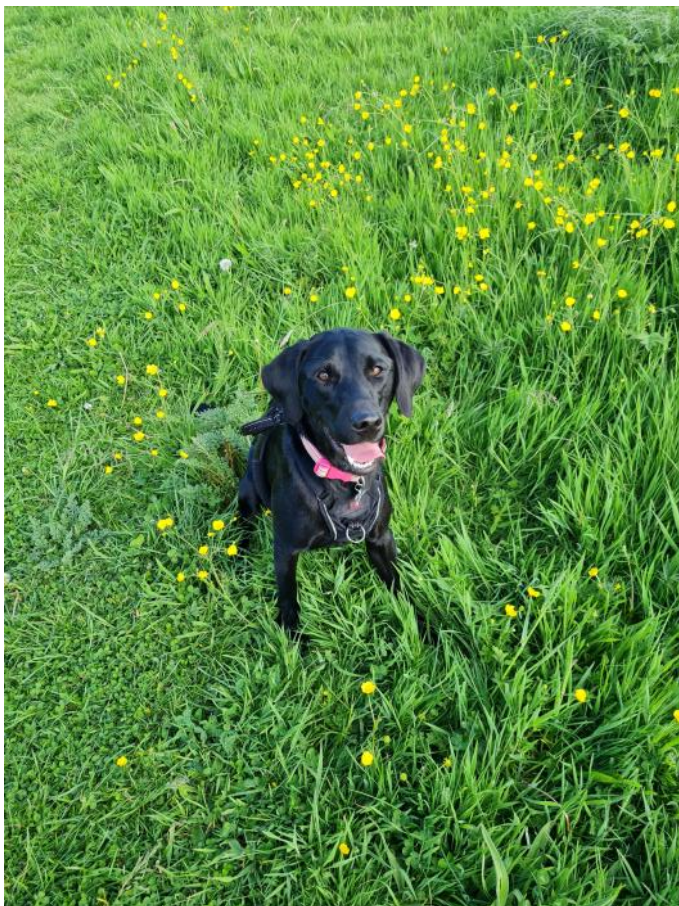

Anything the children can use in open ended, investigative play during our playtimes safely will be gratefully welcomed.

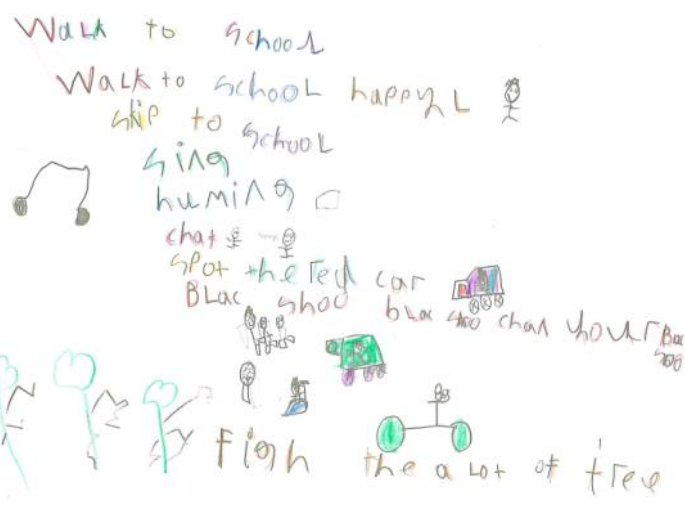

Thank you for your support always!

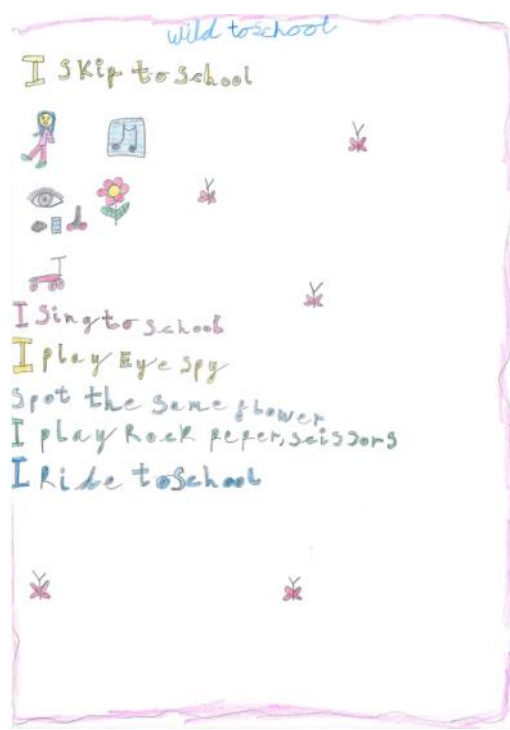

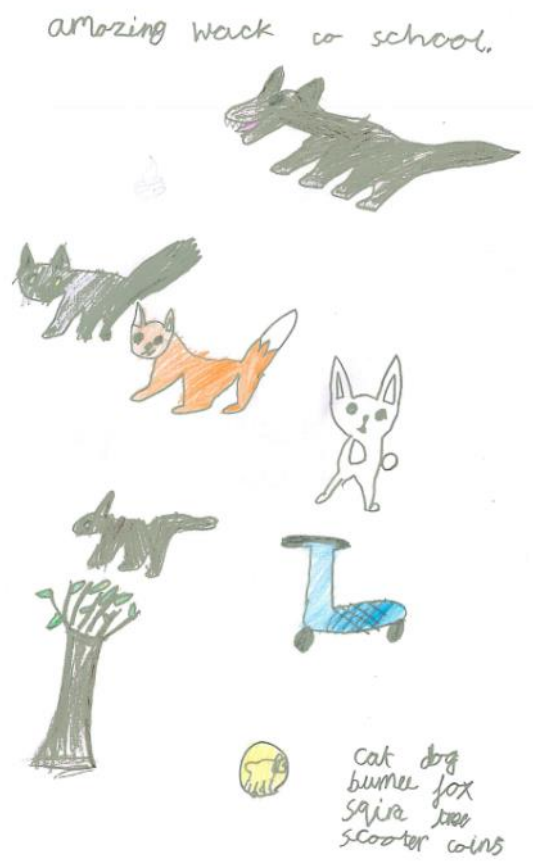

Chrissie has had a lovely week, she comes into school most mornings and has enjoyed going into classes and having cuddles with Ms Townsend.

On her daily walks she has discovered the horse water barrels and loves jumping in them. Eric, who is a year old horse had a good sniff of her head and wanted to play with her.

I see flats and trees and bushes and birds.
