

Dear Parents/Carers,

Welcome back after the half term break. I hope you all managed to have some quality family time and enjoy the wonderful Jubilee celebrations. These celebrations will continue into next week for us as we have a very busy week planned full of art, music and history as well as our whole school picnic next Thursday.

Despite being the first week back, it has been a busy one. We returned to school to hear the amazing news that Beavers has been awarded an Eco Schools Green Flag and we are now officially an Eco School. Mrs Ludhra and her team of Eco Warriors have worked incredibly hard over many months to achieve this wonderful accolade. Beavers can confidently and clearly demonstrate our commitment to learning about environmental issues and continue to empower children to protect our planet. We are so proud of the difference our Eco Warriors have made and continue to make. We also welcomed award winning children's author Gareth P Jones, who delivered two captivating and inspirational assemblies to KS1 and KS2, read a fun filled story to Reception and officially opened our wonderful new school library, while also answering a wealth of questions from some of our budding authors and the Library Squad. A special thank you to Mrs Golding, Miss Cannon and Tina Cox for their hard work in getting the library ready and making it such an inviting place for children to visit while also promoting the importance of reading for pleasure. Reception visited West Wittering seaside on Thursday and Friday. This is always a favourite trip which was so nice to bring back following the pandemic and this year it did not disappoint. The children had the most wonderful time exploring the sand, collecting shells, burying friends and teachers and paddling in the sea. I was lucky enough to accompany Reception on both days and can confidently say that the children have made wonderful memories that will last for years to come.

Issue 27  
10th June 2022

### We still have places for:

Japanese Club with Mr Elgar for KS2 on Tuesdays

STEM Club with Year 1 teachers for KS1/2 on Thursdays

You can sign up with the class teacher or Ms Moses.

### **Our Library Opening!**

To help with the official opening of our new school library, we were lucky enough to have Gareth P Jones visiting our school this week.

He is a published author who has written over 45 books. It was lovely to see the children so excited and engaged during his assembly. I am sure he has inspired many to pick up a book and read or have a go at writing their own story.

The children have really missed out on these experiences over the past couple of years and I hope this is something they will remember for many years to come.

### **Hounslow Junior Book Award 2022.**

On Thursday, 9 children from years five and six (Maja, Casey, Kayden, Jakob, Noah, Roxanne, Hafsa, Manrett and Rinad) took part in the award ceremony for the Hounslow Junior Book Award 2022. The children have read 6 books over the past few months and had to decide which were their top three. The winner of the award this year went to Phil Earle for his book *When The Sky Falls*. The children had an amazing opportunity to meet the author, Onjali Q. Rauf, who spoke to them about how she was inspired to write her book, *The Boy At The Back Of The Class*, about a refugee and her work in supporting refugees who are yet to find a permanent home in a different country. All six books from the Hounslow Junior Book Award will be available to read in the library soon.

### Chrissie News

Holly took Chrissie to visit the Nursery children and they really enjoyed meeting her. Some of the children gave her a stroke. Visit us again soon!

Sunshine class enjoyed playing with sand, in preparation for our beach trip.

### **Football News**

The Beavers boys football team attended another friendly match against St Jude's. What an intense game it was! The boys performed incredibly well and won the game 4-2!

Miss Raval and Miss Moses are so proud of how the boys worked well as a team and really stepped up to the challenge. Once again well done to every single one of the boys who participated!

It is so important to stay healthy and fit! Eat well for you and the planet.
