

This week we have celebrated Healthy Eating Sports Week. As a school we recognise the importance of sport, fitness and exercise to improving both mental and physical health. Sports days have played a big part of this week and have provided the perfect opportunity to encourage those children who may not ordinarily participate in sporting activities to do just that. Children from Nursery to Year 6 have participated in their own sports days this week, demonstrating their agility, balance and coordination, while having lots of fun. As well as competing against one another, the children have also demonstrated super sportsmanship by cheering and congratulating their classmates. It was wonderful to be in a position to invite parents, carers and family members to attend this year, the first in over two years. We were delighted with the turnout this week and the children benefited from the extra cheering and support! It was clear to see that we have some talented athletes in school and I hope these children continue to develop their skills at one of our school-led or local clubs. These grassroots clubs provide the best opportunities for children to further develop their skills and for a few, possibly provide a foundation for a career at an elite level!

As we enter the penultimate week of the year, we start to reflect on the year that has passed; its challenges, opportunities and successes. The children have also been reflecting and may well share some of their thoughts with you. They also met their new teachers this week and for most, this is a time of excitement, but for some, this will bring feelings of anxiety about the changes ahead. We are supporting children with this transition before we break for the summer holidays and will continue to do so when we start back again in September.

Issue 30
8th July 2022

July—Kindness

12th	1:30—Y6 Production
13th	9:30—Y6 Production
13th	Y5 Hobbledown Farm
14th	Optional parents evening
14th	Y6 Fun Day & Disco

AUTUMN TERM

September

1st & 2nd	INSET—No pupils in school
5th	Pupils return to school

Golden Ticket:

Awarded for:

Good Values, Good Behaviour

Wk beginning 23rd June 2022

Amber—Harshleen

Lemon—Vlad

Primrose—Ava

Yellow—Hamza

Blue—Daniel

Indigo—Sian

Sky—Lamya

Awarded for:

Good Values, Good Behaviour

Wk beginning 30th June 2022

Orange—Aubrey

Amber—Volswan

Apricot—Alice

Blue—Camille

Sky—Alkeyo

Indigo—George

Lost Property

As we are heading to the end of the school year please make sure all items of clothing, PE Kits, packed lunch boxes are taken home.

Welfare have been sorting out lost property, if your child has misplaced a coat please call Tina Cox or Leanne.

We will be bringing the lost property out into the playgrounds at the end of the day next week.

Any unclaimed items will be washed and used as spare uniform, or disposed of.

We would be grateful for any used uniform in reasonable, clean condition.

Attendance

Good attendance is very important for learning!

Attendance cup winners were:

KS1

1st Y2 Indigo 97%

2nd Y2 Blue 94%

3rd REC Apricot 94%

KS2

1st Y5 Scarlet 99%

2nd Y4 Purple 97%

2nd Y3 Jade 97%

3rd Y5 Crimson 96%

Well done!

Classes with 100% attendance earn a mufti-day as a prize.

Year 6 have had a very busy couple of weeks, some of them were lucky enough to go on the residential journey, they had their Fiver Challenge, they are now rehearsing for the end of year production, which they will be performing to fellow pupils, staff and of course their parents next week. They also have their Fun Day and leavers disco on the 14th. Thank you to everyone who visited year 6's Fiver Challenge stalls. They have been working really hard throughout the term creating their fantastic businesses. With your help, they have managed to generate a profit of £1,258.29. After returning the original £5s, they have put half of their money towards their end of year activities and divided the rest between their teams. In other news, some of the children in Year 6 went on their residential trip. They visited Kingswood Learning Centre in Aston Clinton, Buckinghamshire and had a lot of fun. The activity leaders planned a range of activities for them to complete such as: climbing, campfires, leap of faith and archery and everyone (including the teachers) was really tired by the time they returned back to school on Sunday.

Year 6 @ Kingswood

Year 4 had a fantastic trip last week to The Lookout Discovery Centre in Bracknell Forest. They learnt about science and nature, they were able to explore the woodland and made bivouacs.

The Year 5 children loved Sports Day this year. The weather was perfect and so was the sportsmanship from the whole year. Everyone had a wonderful morning. Thank you to all the parents that raced, who were very competitive!

Nursery, Reception and Year 5 Sports Days

The Nursery children had an exciting visit from Wild Fangs; they had an amazing time with the creepy crawlies. The children loved observing the millipede, touching the chinchilla, watching the snake and stick insects move. The children were fascinated to see the gecko and some children were even brave enough to hold it.

Thank you Wild Fangs and visit us again soon!
