

Today was Remembrance Day, which marks the anniversary of when World War One ended. In school, we observed a two-minute silence at 11am, which gave us the chance to remember those who fought and lost their lives during the war and honour their memory. The children were all very respectful during the silence.

Thank you to everyone who made an appointment to meet virtually with your child's teacher. I hope that you were able to find out more about how your child has settled into their new year group, how they are getting on with their learning and personal development, and how you might be able to help them at home. If you were unable to make an appointment, please do make contact with the teacher and they will do their best to see you as soon as they can.

Our school dog, Chrissie, has returned from her holiday and has been popping into school to see the children. It is always very exciting when she is around! She had her first school photo taken on Monday and we are looking forward to seeing how that turns out.

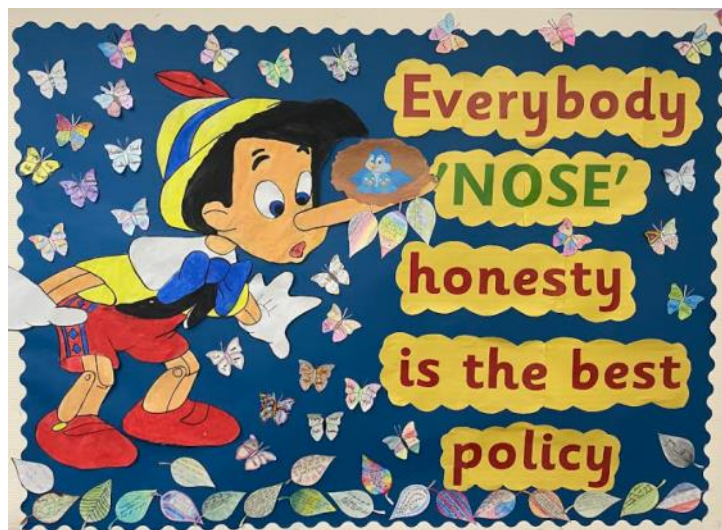

Next week is anti-bullying week. As a school, we are committed to providing a caring, friendly and safe environment for all members of our school community. We believe that bullying of any kind is unacceptable and will not be tolerated. Next week, the children will be learning more about anti-bullying, how to recognise bullying and what to do if they are worried. Next Friday is Children in Need and we are inviting all children (and staff!) to donate £1 and wear something spotty or yellow on Friday 18th November.

Year 6 have created this fabulous display for our value this half term—Honesty.

Chrissie waited patiently to have her photograph taken by the school photographer this week, we are looking forward to seeing how well she sat! She will be given her own ID badge once we have the official picture.

Sunshine Class enjoyed showing their design skills this week. The children worked together to create amazing Tudor houses.

Reception have been learning about Remembrance day. They used playdough to make poppies and did observational drawings.

Nursery children have been reading Owl Babies, they loved creating a tree for the baby owls, using paint, tooth brushes, sponges and paint brushes. Next week we will be creating little baby owls.

Christmas lunch

The children will be having their Christmas lunch on **Tuesday 13th December**. A Google form will be emailed to you for completion. Can you please complete the form by 9am on Friday 19th November. Should more be done to help rescue pets?

In the news this week

Animal rescue groups in countries around the world are seeing a jump in the number of animals being brought to their shelters, as household finances are squeezed. One of the main causes is thought to be the cost of living crisis, which has meant many different costs have increased. This includes pet food ingredients such as meat, grains, and micronutrients, all of which have become more expensive in recent months. The BBC reports that, 'The cost of pet food is up by 8.8% in the European Union, and 8.4% in the UK.'

Things to talk about at home ...

- > Do you know anyone who has rescued an animal from a shelter? What do you think are some of the reasons people choose to do this?
- > Is there an animal shelter near where you live? What do you know about it?
