

We have come to the end of the spring term and the children have achieved so much since the Christmas break.

This week, we had celebration assemblies where the children were able to see what other year groups had created during Arts Week. During these assemblies, we were also treated to a performance by the school choir, with children and adults all taking part. They had practised very hard and sung beautifully.

Our Arts exhibition took place in the junior hall and it was lovely to see so many families coming to see what their children had created during Arts Week. The Arts Ambassadors (Sriya, Idrees, Rahul and Rochelle) did a fantastic job showing visitors around and explaining what all of the creations were and their inspiration. We even had a VIP visitor on Thursday as our MP Seema Malhotra visited and was bowled over by the level of art work she saw. She was also very complimentary about the Arts Ambassadors and their passion for Art.

Yesterday's Easter Egg mufti was once again very successful. The Reverend Claire Clarke has collected the eggs to take to the local food bank and was very grateful for everyone's generous donations. Thank you.

We hope you all have a relaxing and enjoyable break, and we look forward to seeing everybody when we come back on Monday 17th April.

## Beavers Community Primary School

Tackling congestion at the school gates and improving the environment for walking and cycling to school.

Hounslow Council is introducing 'School Street' measures on **Arundel Road** to reduce motor traffic at drop off and pick up time outside Beavers Primary.

The restrictions aim to promote active and healthy lifestyles by:

- Improving road safety for pupils, residents and visitors to the area
- Increasing levels of walking, cycling and scooting
- Minimising anti-social behaviour arising from inconsiderate parking and dangerous manoeuvres
- Reducing engine idling and pollution in the area, including particulates, which especially impact young people
- Creating a calmer environment for pupils to start and end their school day

## How will it work?

- Arundel Road (as marked below) will be a pedestrian and cycle only zone from **8:15 – 9:15am** and **2:45 – 3:45pm** on school days.
- Access is permitted for local residents and school staff subject to vehicle registration.
- Vehicles driven by parents/guardians are not permitted to enter the zone during the timed closure.
- The School Street would be enforced by camera which means unauthorised vehicles entering the zone will be issued a penalty charge notice.

- Blue badge holders are entitled to an exemption and can register their vehicle to gain access.

On Wednesday Miss Gamperle, Mrs Dawe and Mr M took the Year 5 and 6 Digital Leaders to the BETT school at Excel London. They had a great time exploring different technology ranging from stories through headphones and games on computers. They also got to travel on the newly opened Elizabeth Line!

## *Art Exhibition 2023*

## Art Exhibition 2023

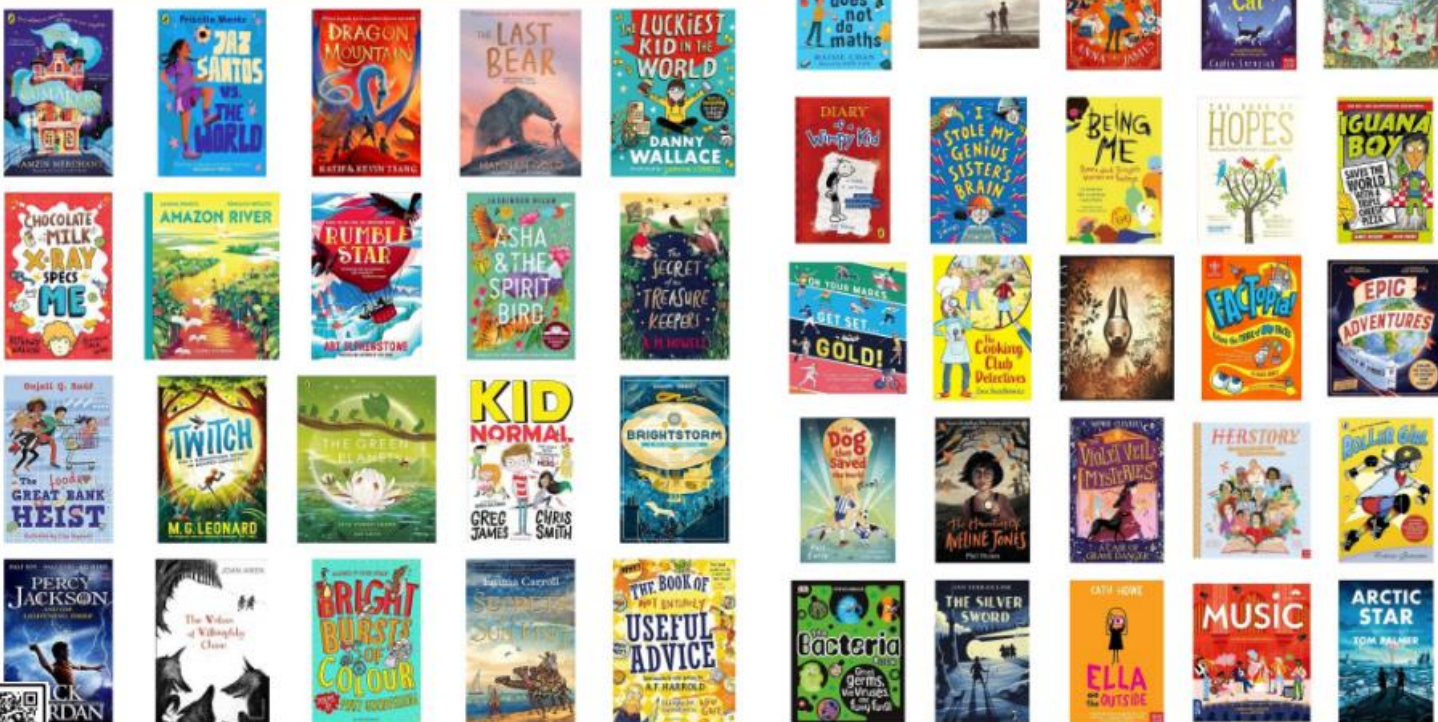

This week, Year 5 have been exploring cultural foods, and their similarities and differences. They have tasted different types of bread, and they have been evaluating and comparing curry powder, Caribbean and Mexican spices.

Which ones have you read?

## 50 Recommended Reads for... Year 5 (ages 9-10)

This week Sunshine Class have been very busy preparing for Easter and attending the Art Exhibition in school. The children could not contain their excitement when they saw their crazy hats and the Jackson Pollock mural they created.

Nursery children enjoyed taking part in their Easter egg hunt in the garden. They were very excited when they found the eggs and put them in their Easter baskets. The children did a brilliant job making their chocolate Easter nests. Happy Easter!

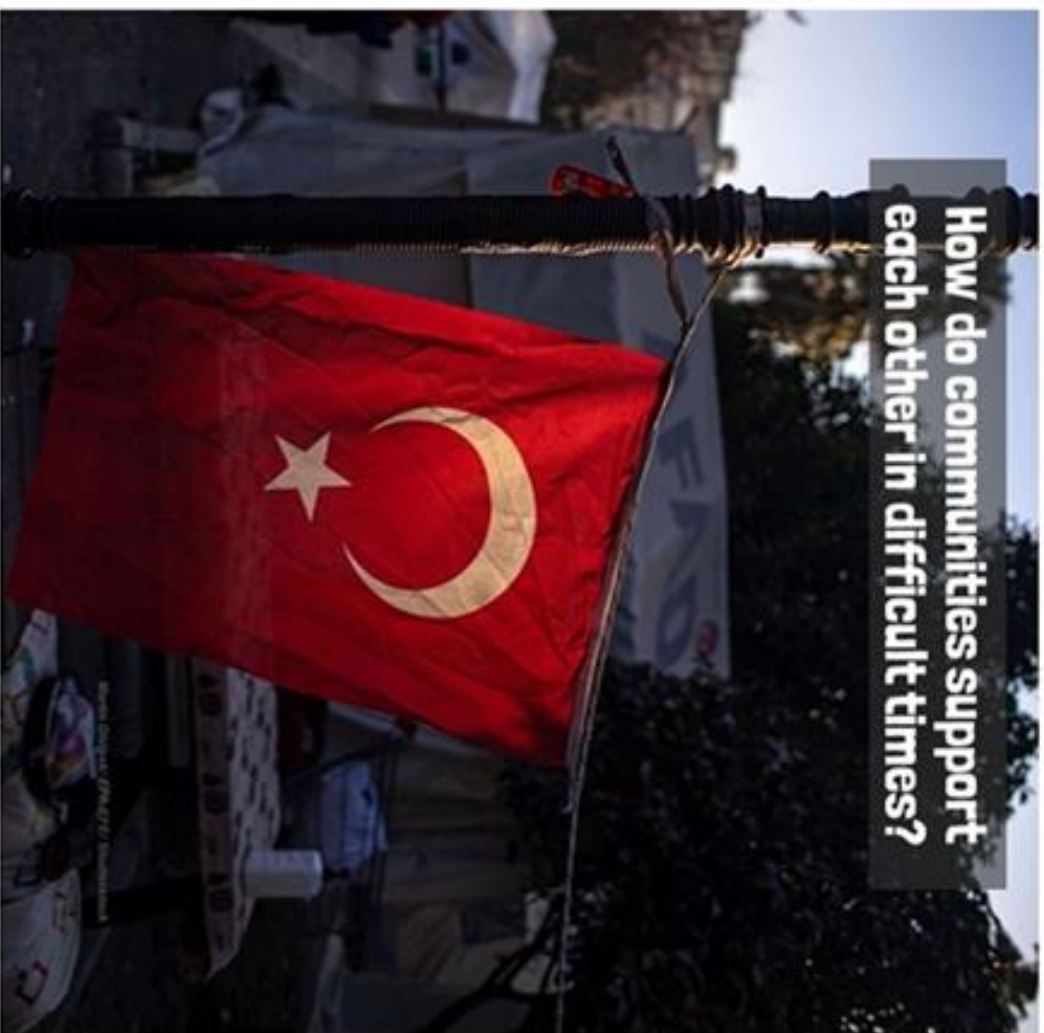

# TAKEHOME

**How do communities support each other in difficult times?**

## In the news this week

Schools in parts of Turkey and Syria have been reopening in the weeks since the devastating earthquakes hit, many in the form of makeshift tents. Teachers in the affected areas are making certain children's education continues, despite the difficult circumstances. Many school buildings were affected in the earthquakes at the start of February, leading to all educational institutions nationwide being closed for over two weeks. Although many learning centres have since reopened, lessons have had to also continue in tent schools, set up by volunteers and authorities in the worst affected areas.

### Things to talk about at home ...

- > Share your knowledge and understanding of last month's earthquakes in Turkey and Syria.
- > Talk about how difficult it may have been for the affected communities there.
- > Thinking about your own community, how do you work together – especially when things are hard?
