

Issue 31
16th June 2023

It is certainly feeling a lot more like summer now. In order to enjoy the sun safely, please remember to:

- Apply sunscreen to your child in the morning
- Make sure your child has a water bottle in school
- Send your child in with a hat

Last week, we were delighted to host this year's Hounslow Junior Book Award and welcomed many Hounslow schools for the ceremony. The winner, as voted for by the children of Hounslow, was 'The Boy Whose Wishes Came True' by Helen Rutter. Thank you to Mrs Golding for organising the event. We look forward to taking part next year. This week has also been busy with various enrichment activities. Reception have been on the annual trip to the seaside at West Wittering, Year 6 have taken part in a World War 2 workshop and Year 4 have taken part in a workshop about Ancient Greece. Thank you to you all for supporting these events- it really helps the children's learning in these areas and they have a great time!

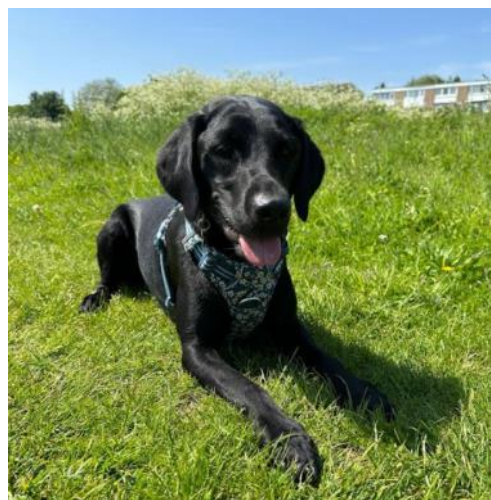

Sports days are around the corner (weather permitting) please see the diary dates. They will all take place at 9:15 AM.

We are in the process of finding a new catering company and some parents and children were able to taste test during the presentations. Many thanks to them all for their help!

As dogs are unable to regulate their temperature, as easily as we can, Chrissie has only been in school for a couple of mornings this week. The field and play-ground get far too hot for her paws, so the children test the ground before she goes outside.

She's been getting up very early for her daily walk to miss the heat of the sun.

June	Summer 2—Kindness
20th	Nursery Open Day / Closed for current children
21st	Y6 Geography Fieldwork
22nd	Y6 Geography Fieldwork
22nd	Y1 London Trip

Attendance Ladder

Attendance

Good attendance is very important for learning!

Attendance cup winners were:

99% YR Orange, Y1 Primrose, Y5 Red

98% Y2 Sky, Y6 Jet

97% Y3 Jade

Classes with 100% attendance earn a mufti day.

Summer 2's value is Kindness

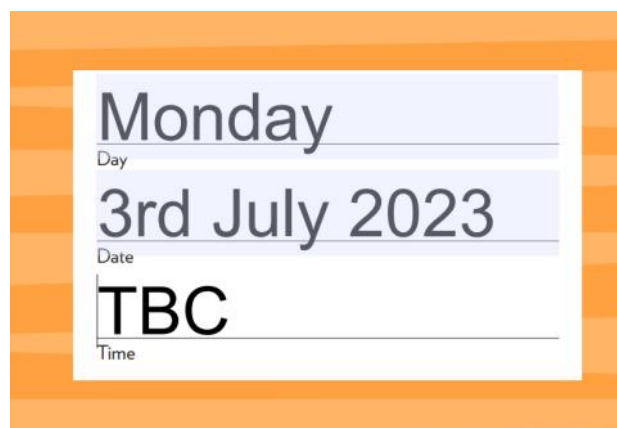

Showing others they are valuable by how you treat them.

Article 19: Governments must do all they can to ensure that children are protected.

Never give up **E**ncourage others **D**o your best!

Sunshine Class have visited year 2 class rooms this week, taken part in a trip to the school library and attended their first assembly.

They received certificates on Friday for all the amazing achievements this week.

In celebration of Father's Day, some of the Nursery dads came to the Nursery and created colourful pasta photo frames with their children. A big thank you to all the dads for coming to the Nursery! Happy Father's Day!

Wild Fangs came to the Nursery. The children loved watching the millipede moving, the chinchilla chewing and the royal python slithering. The children were so brave! Thank you Wild Fangs, we really enjoyed having the animals in Nursery!

Rylan from Sunshine Class visited Nursery to see the Wild Fangs, he touched a centipede, chinchilla and a snake.

Sunshine Class had an amazing week. After learning about churches, Cristian created a stained glass window, he used chalks to colour in all the sections of the window.

We made yoghurt, apple, strawberry and blueberry ice lollies in our cookery lesson, all the children helped by cutting and chopping the fruit, adding the yoghurt and then taking turns in blending the ingredients, they then poured the mixture into their lolly moulds.

During half term Lucio tried something he had never done before; he had his first horse riding lesson at Park Lane Stables, this was accessed through the Short breaks team at London Borough of Hounslow.

Some of Year 6 have gone on their residential trip this weekend. They were very excited to be heading off on the coach going to Kingswood Residential & Outdoor Activity Centre in Aylesbury. We hope they have an amazing time.

Last week, 150 children from other schools in Hounslow borough came to Beavers to take part in the annual Hounslow Junior Book Award. All the children have been reading 6 books selected by the Hounslow Library Service and they all voted on their top three. We were treated to a talk from author Kirsty Applebaum who inspired the children to become great readers and writers. Well done to Ejub, Hanna, Arwa, Jilliam, Gia, Sanvi, Kayziah, Abner, Keon, Faye, Anastasiia, Rizell, Amelia and Floyd in year 5.

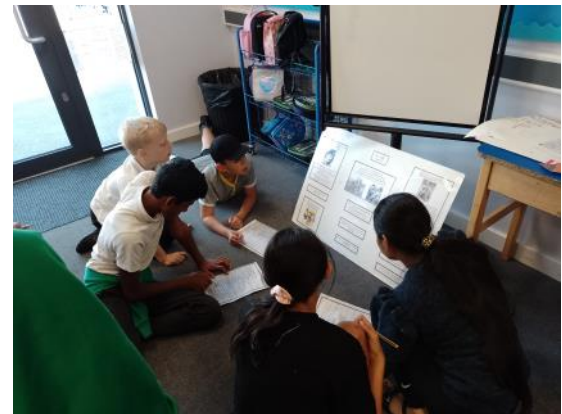

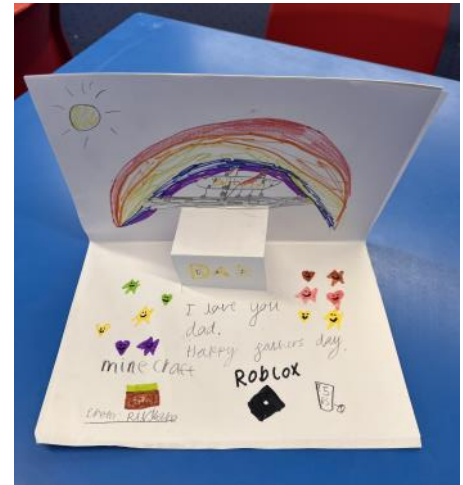

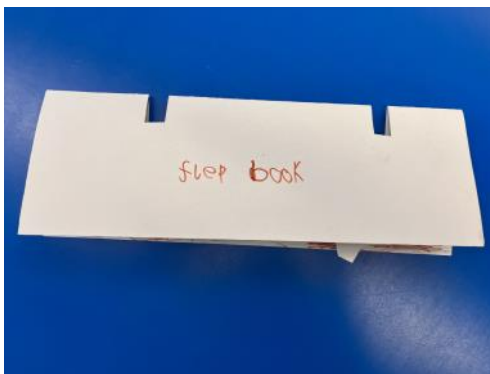

Year 5 had an Experience Day for their English lesson on Thursday. The children used twigs, string and leaves to make rafts, and then tested if they would float.

Year 5 are working on *The Explorer*, by Katherine Rundell, which is a book about a group of children stranded in the Amazon rainforest after a plane crash, trying to escape through the Amazon River.

This week we were learning about how to make pop-up books, flap books and slide books. We have also created Father's Day cards today. In Y1 Yellow, Bogdan has made a lovely flap book and Riviana has made a Father's Day card.

Year 6 took part in a WW2 workshop this week. They built on their knowledge of how WW2 started, were able to witness some of the power tools and learn new fascinating information.
