19th	No Nursery

## Attendance Ladder

Attendance  
Good attendance is very important for learning!  
Attendance cup winners were:

99% Y5 Red  
98% Y4 Purple  
97% Lavender  
96% Y3 Lime & YR Orange

There have been lots of enrichment activities happening this week. Year 6 spent 2 nights away on the annual residential trip; when I went to visit them, they looked to be having a fabulous time and were telling me all about the activities they had done, such as climbing, abseiling and archery.

Year 6 have also been to Donkey Woods to investigate local geography; Year 5 have visited Kingsley Academy; Year 1 have been in to London on the underground to take in the landmarks including Buckingham Palace; the Royal Opera House have visited to work with Year 5 on some singing and dancing in preparation for a performance in July; and Sunshine Class have been on an exciting trip on the bus to Reflections. A lot of work goes into organising and running all of these events so thank you to all the staff for their hard work and thank you to our families for supporting them.

Next week is Sports Week and you will find the days for each year group's Sports Day in the Diary Dates section. Please remember to apply sunscreen to your child before they come to school and to make sure they have water to stay hydrated and a hat to protect them from the sun.

The Summer Fayre has been rescheduled due to potential industrial action, and will now take place on Monday 10th July. Children are to be collected at 1:30 on this day and the Fayre will start at 2:30.

medicaltracker

As you know we try very hard to keep parents regularly informed about first aid incidents and medication administration at school. Sending paper notifications home can be rather 'hit and miss' with notifications often going astray along the way.

To help make improvements in these areas we have decided to use a service called Medical Tracker. Medical Tracker not only allows us to inform parents/carers of first aid incidents and medication administration by email but it also allows us to analyse the data we record. Medical Tracker will be beneficial to you because:

- We can record and track first aid incidents that involve your child
- We can record and track medication administration that involves your child
- You can be notified immediately after a first aid incident by email

You can be notified immediately after medication has been administered by email

**To use Medical Tracker effectively we need to have the most up to date email address to use to notify you of incidents. If you have recently changed your email address please email [office@beavers.hounslow.sch.uk](mailto:office@beavers.hounslow.sch.uk)**

**Important** – When we start using Medical Tracker, email messages will be sent from [donotreply@medicaltracker.co.uk](mailto:donotreply@medicaltracker.co.uk). Please add this address to your email address books (or approved sender list) to prevent messages from being blocked by your SPAM/JUNK filters.

Summer 2's value is Kindness  
Showing others they are valuable by how you treat them.

**Article 19:** Governments must do all they can to ensure that children are protected.

This note is bitter sweet. Unfortunately, due to timetabling issues, we will have to postpone the talent show. But, we can announce three performances will go straight to the final next spring 2024.

- Sapphire
- The Hype Girls
- Girl Waves

Thank you to all the judges, Owen, Harman, Jakub, Kelly, Asia and Rishi. You did an amazing job.

Thank you to everyone who bought gifts / raffle tickets (I hope you enjoy the contents). The hamper was drawn at the infant assembly and the winning ticket was won by a Reception child. CONGRATULATIONS!!!!

P.T.A.

Our AGM meeting for 2022/23 will take place on Wednesday 12<sup>th</sup> July from 8.30 am. All parents welcome.

Hello Summer

Reception have had their annual trip to West Wittering. For many of our children this was their first visit to the seaside. They were able to go this year thanks to Seema Malhotra MP, who did some fund raising and was able to secure generous donations from Russell Finex Limited, Feltham and The London Acton Lions Club, a huge thank you to both of these organisations!

Last Friday, some of Year 6 went on their end of year residential trip. They visited Kingswood Learning Centre in Aston Clinton and got to complete a wide range of fun activities. They really enjoyed their time and thankfully the weather was great. Ms Smith also visited them on Saturday and it was a lovely surprise.

Year 6 have been exploring nature in the local area with a field trip to Donkey Woods.

Year 1 have had a wonderful time being tourists in London. They visited many places, including: Buckingham Palace, The Cenotaph, Big Ben / Elizabeth Tower. They also saw this cheeky pelican sitting on a park bench in St James's Park!

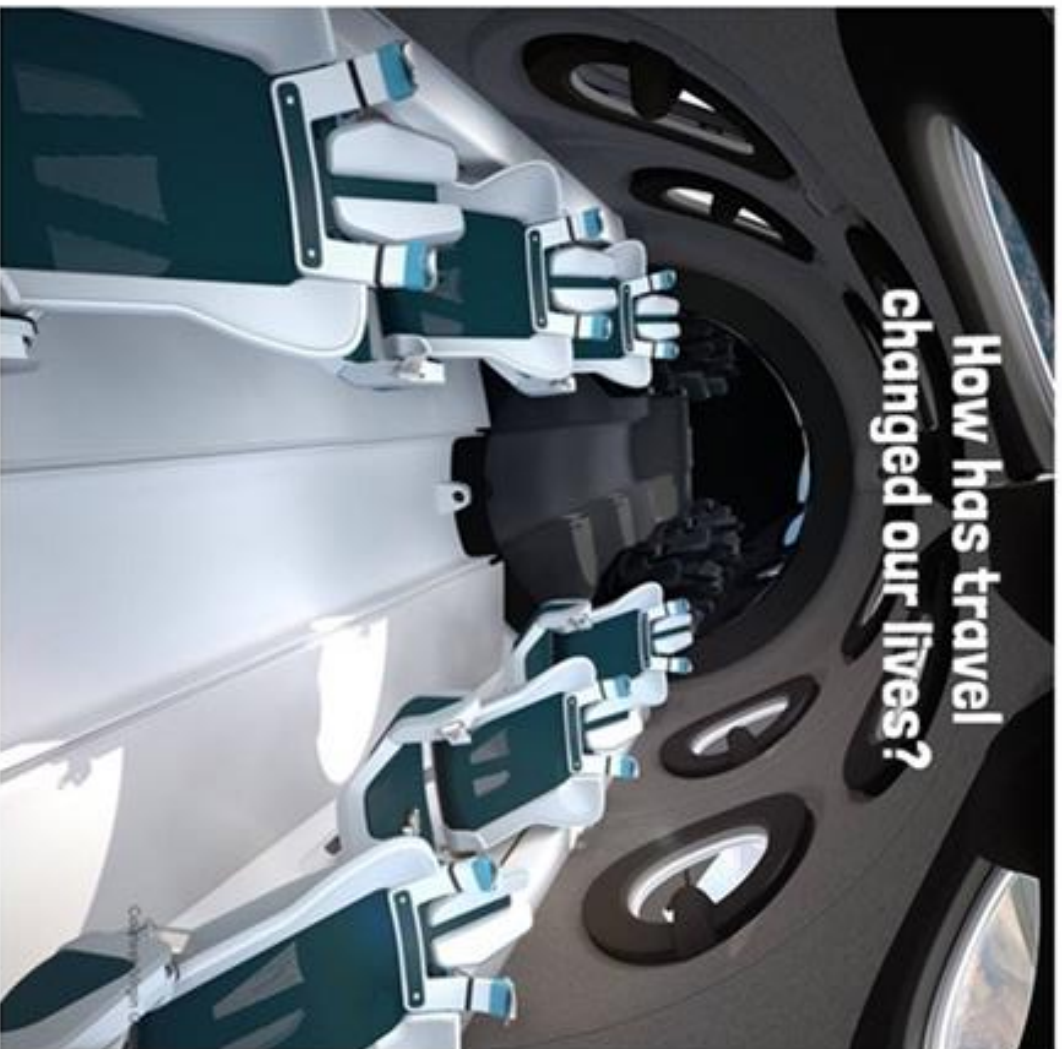

# TAKEHOME

## How has travel changed our lives?

## In the news this week

### Things to talk about at home ...

- Within the next ten years, people may be able to travel between London and Sydney in just two hours by journeying through space on a sub-orbital flight. The current length of a traditional flight between London, UK, and Sydney, Australia, is at least 20-22 hours and usually entails a stop-off to refuel along the way. A sub-orbital flight involves launching a spacecraft to an altitude above the Kármán line (the boundary of space).
- Share your experience of all the different types of transport you have encountered. E.g. bikes, cars, planes, ferries. Which is your favourite way to travel and why?
  - Do you think you would like to travel on a sub-orbital flight? Why?
  - How do you believe suborbital travel could change the world?

### Please note any interesting thoughts or comments
