Congratulations to all the children who received an achievement award this term. These are given for a range of reasons, such as effort, resilience, kindness, demonstrating school values and making progress in a particular area of learning. All of the children work very hard and it does not go unnoticed. We were also treated to the talent show, organised by Ms Moses. Well done to all of the children who put themselves forward for this and practised so much. Congratulations to the winners!

Attendance has improved throughout the year, so a big thank you for supporting the school with this and not taking your children out of school in term time. Parents evening was very well-attended last week so thank you again for your support.

Our choir took part in Voice in a Million at Wembley Arena last week, which was a fantastic opportunity they will remember for a very long time. Thank you to Mrs Passos, Miss George and Mrs Newman for dedicating so much time to this.

Year 1 and Year 5 were also out and about this week, with Year 1 visiting the local church to learn about Easter, and Year 5 visiting the Victoria and Albert museum to experience a treasure trove of artefacts from all across the Islamic world, ranging from the 7th century to the 20th century.

Thank you for your generous donations of Easter eggs for the local foodbank. We received a huge number and they will help to make Easter a bit more fun for many people.

I hope you have a restful and enjoyable Easter break, and I look forward to seeing everyone on Monday 15<sup>th</sup> April.

**THE GYMNASTS**

Year 1 have been making rainbows in science. They used tissue, pens and two cups of water. They coloured the ends of the tissue in rainbow colours and made their predictions. They put the ends of the tissue in the cups and watched the rainbow grow.

The Nursery children have been learning about Bears. They loved making honey sandwiches and eating them at the teddy bear's picnic. Their own bears came to nursery for the day to take part in the picnic!

It was lovely to see so many parents join us for the Year 3 learning Experience Day . The children were able to show them what they had learnt about homo-sapiens. Parents had the opportunity to build the skeleton of the human body and compete against their children in a quiz!

Year 6 took part in an exciting Science lesson dissecting lamb hearts. They have commented that it was the best lesson ever as they were able to see the structure of the heart and use their scientific knowledge to identify each part.

The Beavers choir took part in the 15th annual VIAM concert last week. They had a fantastic time, and say a big thank you to the teachers who took them.

Children in Early Years had a great time at the Easter Fayre. The children played lots of games, bought lots of yummy treats and had their face painted! Thank you to all the families that attended and made the Easter Fayre such a huge success.

Year 1 had a great time at Hope Church (Good Shepherd location) we even got to go on an Easter egg hunt in the church gardens. The church has a special Easter egg hunt on Easter Sunday for all the family!
