

NEWSLETTER

This week, children's reports were sent home and we hope you have enjoyed reading them. They are a real chance to celebrate all that your child has achieved over the year, be that academically, socially or personally. If you have any questions about your child's report, please do speak to their class teacher.

Also this week, we received information about how the Year 6 children got on when they took their SATs back in May, and we could not be prouder of everything they have achieved. Academic standards are high, and they have also demonstrated many key skills throughout the year, such as resilience, confidence and empathy, which will serve them well as they move on to secondary school.

Today, Reception put on an end-of year assembly to celebrate all that they have accomplished and look back on their first memorable year of school. It was incredible to see everything that has happened (the visiting farm, the fire engine, the trip to the seaside) and also reflect on the progress they have made in their storytelling and writing. Their singing and dancing was also very uplifting!

Remember, our Summer Fayre is on Monday. Children must be collected at 1:30, and the Fayre will start at 2:30. We hope to see you all there – please remember that it is cash only and coins (rather than notes) are helpful as we usually run out of change.

Summer Fayre 2024

(Hosted by: Beavers PTA)

Summer 2's value is Kindness
Showing others they are valuable by how you treat them.

[Article 19:](#) Governments must do all they can to ensure that children are protected.

Looking after our well-being is so important for our overall happiness. Just like taking care of our physical health, we need to look after our mental health too.

myHappyMind has taught us to manage our emotions, build our self esteem, make positive relationships and become resilient. We know how to be our very best selves.

These are the different habits we have been practising over the year.

-  Happy Breathing
-  Strength Spotting
-  Attitude of Gratitude
-  Active Listening
-  Goal Setting

Download the FREE myHappyMind App and make it part of your weekly homework!

There was an explosion of Music and Dance as Beavers took the stage at Kingsley Academy in The Annual Primary School Dance festival on Tuesday 9th July 2024.

Some Year 6 pupils participated in a Bikeability course this week. They learned some essential road rules, ready for secondary school.

FAMILY LEARNING Summer 2024

Activity Themes

Discover the skills of the daring dragonfly. Learn where they live and thrive, and make dragonfly art.

Explore the journey of the mysterious migrating European Eel. Learn about other animals that travel, as you create an eel finger puppet.

Tune in, listen out for and record the sounds of nature all around, then make your own natural noise maker.

More Information

Free sessions of family learning at several locations around Hillingdon and Hounslow.

Pre-book to guarantee your place!
Email: info@lgoal.org.uk

Please note that adults must stay with their children and are responsible for their welfare.
