NEWSLETTER

On Monday, our Year 5 and 6 theatre club reached their grand finale. After 18 weeks of hard work and dedication, 50 children performed two songs from their Lion King show at the Lyceum as part of the Disney Musicals in School project. It was absolutely wonderful to watch - the performance looked truly professional, and the children should be so proud of themselves. Another huge thank you to our staff for their tireless efforts during all those rehearsals, and for creating such incredible costumes that really brought the show to life.

On the same day, we held our Easter egg mufti. Thank you so much for your generous donations - they've been collected by the local food bank and will make a real difference to families in need in our community.

We also celebrated World Maths Day on Thursday, and it was brilliant to see the children being so creative with their dressing up. They threw themselves into the fun maths-related activities, which really helped inspire their love of the subject.

Finally, we're saying farewell to Camilla, our finance officer, who is relocating. After 14 years of dedicated service to the school, the children, and the arts, we wish her all the very best for this next chapter.

Wishing everyone a very happy Easter break. We look forward to welcoming you all back on Monday 13th April for the start of the Summer term.

In celebration of Eid, the parents were invited to the Nursery to help the children make date biscuits. The staff enjoyed applying henna on their hands and the children also enjoyed making henna patterns using paint cones. A big thank you to our parents!

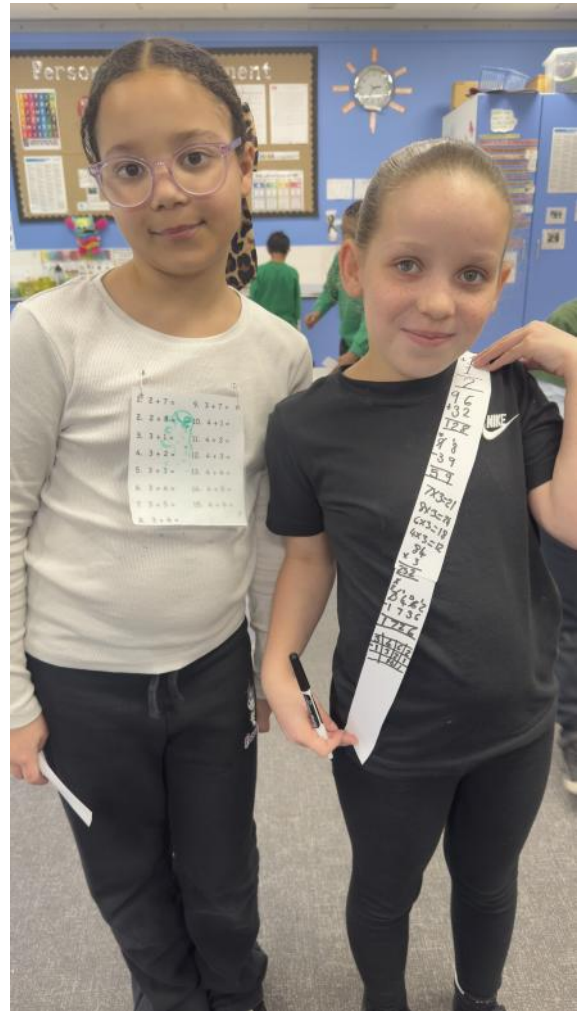

Nursery held a "Name the Bear" competition and we are delighted to announce that our AM bear is called Billy and our PM bear is called Kindy. Congratulations to Vinny and Mikayla and thank you to all the children and parents who took part!

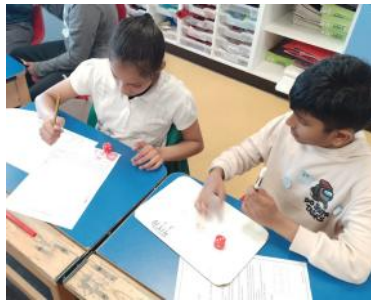

Year 4 pupils had a fantastic time celebrating World Maths Day. They enjoyed challenging each other with maths problems and practised all four operations through fun games. They also explored symmetry through creative painting and producing some beautiful artwork.

The classrooms were full of excitement as children solved problems set by their friends. They also showed creativity by making calculation crowns, cross banners, and paper bracelets, making the day both fun and memorable.

The Year 5 pupils celebrated World Maths Day and they have described it as a success! The pupils took part in the 24 Game, dice games and dressed up in maths related clothing. The pupils said they enjoyed having a day filled with maths and exploring maths in everyday life! Thank you to all the parents who came in to support their children.

Starlight and Sunshine Class had fun on their Easter Eggs hunt.

Year 1 went to the church to learn about Easter and how Christians celebrate. They took part in an Easter Egg hunt and two teams won!

We would like to extend our heartfelt thanks to all our families for their incredibly generous donations of chocolate Easter eggs. Your kindness and support have made a real difference, and we are delighted to share that the eggs collected this week will be passed on to our local food bank to support families in need. Thank you for helping to bring a little joy to others this Easter.

The children from our Beavers Theatre Club had the incredible opportunity to perform two songs from The Lion King KIDS on the Lyceum stage in London, and it was a truly unforgettable experience. From the moment they stepped into the spotlight, their excitement and confidence shone through, bringing so much energy and joy to their performance. Being able to stand on such an iconic stage made the moment even more special, giving them a real taste of what it feels like to perform in a professional theatre. It was amazing to watch them embrace the experience so wholeheartedly, and we are so incredibly proud of each and every one of them.
